Lean Not

Proverbs 3:5

The answer to life is not information and insight, it is the Person of God.

Proverbs 3:6

- Leaning on your own understanding first is always a mistake.
- Direction does not begin with a search for direction.
- Submission precedes direction.

Proverbs 3:7

When we are “wise in our own eyes” then:

- Pride will eventually override wisdom.
- Arrogance will eventually override common sense.
- Self-Centeredness will eventually override discernment.

Have you ever acknowledged God in ALL your ways?
