This week at WBC (November 14, 2021)

Pastor Blake Nichols—Sermon Title: No More Fear!

Text: Psalm 91

Sometimes God calls us to do hard things. Fear is natural but God will provide tools to overcome fear. The Word of God is filled with many “Fear Not” statements. We need to focus on the faithfulness of God: God sees. God knows. God cares. God will intervene.

Psalm 91:1-5 gives us a picture of God's care in difficult times. He is our shelter, refuge and fortress. He will save us from the snare of the fowler (entrapment). He will cover us with His feather and under His wings we will find refuge. His faithfulness is our shield (defense) and rampart (combat). We will not fear the terror of night (what we cannot see because of darkness) and the arrow that flies by day (daily challenges).

How do we overcome fear?

Psalm 91:11-16 God provides spiritual help for us. We often see in Scripture the phrase “But God” which tells us that God intervenes for us.

God is active in our lives and rescues and protects us. He is with us when we go through trouble.

God has promised a long life. That does not mean time but a life of fulfillment.

Pray for WBC Ministerial & Office Staff and their families.
