## Sunday Sermon (January 15, 2023)

**Pastor Blake Nichols**

**Sermon Series:** Your New Chapter

**Sermon Title:** A Moment or A Movement

**Text:** Proverbs 29:18, Acts 2:42-47, Matthew 28:16-20, Matthew 22:35-40

Moments are usually self-centered and a one-time thing. Movement goes beyond moments and becomes something to share and empowers us to move forward. We can get excited about a moment but need a vision to become part of a movement.

**Proverbs 29:18:** "Where there is no vision, the people perish..."

There were moments in the ministry of Jesus like the feeding of the 5000. For many it was a moment to be fed physically and did not result in a movement forward into a relationship with Jesus. For others, it was a movement forward to satisfy spiritual hunger.

**Acts 2:42-47** describes a movement in the early church. They were empowered by the Holy Spirit to take the gospel out to the community and wanted others to know about a moment when they received the filling of the Holy Spirit. **Verse 47:** "...And the Lord added to their number daily those who were being saved."

NFL football teams have a vision, mission and strategy in their goal to win the Super Bowl. How much more do we as a church need a vision, mission and strategy?

- **Vision:** To dynamically impact our community with the life-changing Gospel of Jesus Christ.
- **Mission:** Matthew 28:16-20 gives our mission, called the Great Commission. **Verse 19-20:** "Therefore **go and make disciples** of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, and **teaching them** to obey everything I have commanded you..."
- **Strategy:** **Matthew 22:35-40** gives our strategy: "...Love the Lord your God with all your heart and with all your soul and with all your mind...Love your neighbor as yourself."

**Love God, Connect People, Make a Difference.**
